1 Reading

A Read the article. Then check (✓) the best title.

- 1 Preparing for an interview? ☐
- 2 Getting the job you want! ☐
- 3 Dress for success! ☐

After sending out a lot of applications, you've finally gotten an interview. Now you're busy preparing for it. You've researched the company and thought about the questions you want to ask and the questions they might ask you.

What else is there? What you're going to wear, of course. The way you look is very important. At the end of the interview, you want people to be talking about your skills and experience, not your appearance.

What should you wear? Suits and ties for guys, and dresses for women? That's not always necessary. It depends on the type of job you're interviewing for.

Is it a job in the tech industry? You might not need a suit or a dress, but that doesn't mean you can go in a T-shirt and jeans. You need to look like you're going to work, not out for the night with friends. So, guys, put on a nice shirt and formal pants. And, women, a nice sweater or blouse with a skirt or pants will be fine.

If you're interviewing for a finance job, you need to wear what people in the business world wear. That means a suit and tie for men and dresses or suits for women.

Dress for the job you want. Make sure your clothes are clean and ironed. Avoid wearing strong perfume, and don't wear too much makeup or jewelry. Strong scents can bother people, and too much makeup can look unprofessional. Lastly, choose shoes that are as formal as your clothes are.

Remember: If people are talking about your appearance after the interview, you probably won't hear from them again. So dress right and look good. Your career may depend on it.

B **Read for gist** Complete the statements. Use the phrases in the box.

goes to a lot of job interviews	has interviewed people	buy clothes
is going to go to a job interview	get a job	interview people

- 1 The person who wrote the article is someone who _____.
- 2 The person who reads the article is someone who _____.
- 3 The purpose of the article is to help someone _____.

2 Listening

A **1.01** Listen to the conversation. Answer the questions.

- 1 When is the man's interview? _____
- 2 Where has he applied for a job? _____
- 3 What should he wear? _____
- 4 What's the problem? _____

3 Writing

- A** Read the comments in response to the article in exercise 1A. Underline the sentence that shows agreement. Circle the sentence that shows disagreement. Put a box around the sentences that show appreciation.

Comments

1 Thanks for the tips. They're really useful, especially since I'm a recent graduate and I'm looking for a job. I'll pay attention to what to wear when I have my interviews.

2 I'm sorry, but I don't think you're right about not wearing perfume. I sweat when I wear a suit, so I think perfume helps.

3 I enjoyed your post. I completely agree that people should dress appropriately for the job. A suit is not always necessary, but you must look good.

- B** Write two comments in response to the article in exercise 1A. In one comment, show appreciation and agreement. In the second comment, show disagreement. Which comment reflects your true opinion?

Check and review

Read the statements. Can you do these things?
