

Notes on the Tests

- There are eight tests, one after every second unit. The last test is a more general test on the whole book.
- The tests cover reading, writing and listening skills.
- A summary of the number of points is given at the end of each part of the test. Explain to pupils what they have to do in each part.

Listening tests

- The teacher reads the material below for simple listening comprehension. Tell the pupils you will read each example twice.
