Read the words in the mats by saying each sound (eg: p-e-n) and listening for the words. Then try and match each word to the picture in the cat that it rhymes with.

Knowing rhymes helps reading and writing.

Make sure you know all your sounds.

s t a p i n c r e

When reading, capital letters will need to be known as well as the little (lower case) letters.

Look at the capital letter. See if you can say the sound it makes. Lift the flap to see if you are right.

See how quickly you can say them.

The Finger Phonics books give an excellent start to both reading and writing

The books show all the letter sounds of English, not just the alphabet, with an 'action' for each. There are cut-out letter shapes to show little fingers the correct way to form each letter and at the end of each book are 'finger activities' so that knowing the letters leads easily to both reading and spelling.

**Jolly
Phonics**

Besides the *Finger Phonics* books, 'Jolly Phonics' includes *Phonics Videos*, *The Phonics Handbook*, *Phonics Wall Frieze*, *Phonics Workbooks*, *Jiglets* and *Stencilets*. Where possible, use them together over a period of time.
