When they know the letters they can start putting them together to make words. (Blending)

Say each letter sound in turn, and listen for the word.

**Hint:** The sounds must be said quickly to hear the word. It is easier if the first sound is slightly louder – p-i-n.

*The Finger Phonics books give an excellent start to both reading and writing*

The books show all the letter sounds of English, not just the alphabet, with an 'action' for each. There are cut-out letter shapes to show little fingers the correct way to form each letter and at the end of each book are 'finger activities' so that knowing the letters leads easily to both reading and spelling.

**Jolly Phonics**

Besides the *Finger Phonics* books, 'Jolly Phonics' includes *Phonics Videos*, *The Phonics Handbook*, *Phonics Wall Frieze*, *Phonics Workbooks*, *Jiglets* and *Stencilets*. Where possible, use them together over a period of time.
