_____ / 4

How to Make a Penguin Finger Puppet

- 1 First, you need a cardboard roll, black paper, white paper, orange paper, two eyes, scissors, and glue.
- 2 Then, glue the black paper on the roll. Glue a white circle on the roll.
- 3 Next, glue orange triangles on the roll for the beak and feet. Glue on the eyes.
- 4 Finally, cut two holes on the back of the roll. Put your fingers in the holes and play with your puppet!

4 Complete the sentences. Use the adjectives in the box.

_____ / 5
