Dear Flora,

Hi! How are you? I haven't written to you all summer because I've been really busy. My parents and I were travelling around Africa and we came back last week.

We went in our van which has beds in the back, so we slept in there. We can also cook in the van, so we were outside in the countryside. We watched the wildlife and we saw lots of spectacular creatures. Our campfire attracted some unbelievable insects. One evening, a huge moth flew past our campfire but neither Mum nor Dad saw it, so they didn't believe me!

During the day, the temperature reached 35°C, so we always looked for shady places. At night the temperature fell, but none of us felt cold in the van.

I must go now because dinner's ready. I'll write again soon with more news and photos.

Subject: An interesting holiday

Hi Kate,

I've just come back from a marvellous holiday. We went to South America and it was really exciting because I had never been to another continent before. Dad got some brochures from the travel agent's in town, but we actually booked the holiday online. We got a discount too because we booked a few months in advance.

Our flight was very long, but we had good flight attendants. Our hotel room was lovely – it had a big balcony and a view of the seaside. The hotel manager was fluent in English, so we could communicate very well – however, he had a very weird accent.

One morning, we went to see the wildlife in the rainforest and a site where archaeologists had found lots of very old pottery and coins. It was very interesting! I enjoyed being near the sea every day. Mum says that swimming helped her burn lots of calories, but Dad says it gave him a backache!

When can we meet? I want to show you my photos of our extraordinary holiday!

Lots of love,
Helen

At the bottom of the window, it says "1 item displayed, 1 selected".

It was interesting.
