The Internet **can be a scary place these** days, especially because of cyber-bullying. It's difficult to open a newspaper these days and **not see a story about** this. It's a really **nasty and growing** problem. Cyber-bullies are real cowards. They hide behind their computer and scare people, **send them hate mail** or threaten them. Even worse is when they publish pictures of their victims online. I have a friend who had a really bad time **at the hands of a** cyber-bully. He or she spread lots of gossip and lies on the Internet. My friend's reputation **was badly damaged**. A really bad thing is how young cyber-bullying starts. A trip around the USA

Dear Family,

Everything has been so much fun here in the US. I am sorry that it has taken me so long to write. When we arrived yesterday, we immediately went to our hotel in New York City, took showers, and began our sightseeing trip! We saw the Statue of Liberty, Wall Street, and Times Square, all in just one day.

Unfortunately, we could only spend that one day in New York because we had to take the train to see the Niagara Falls. I am riding the train now as I write. We should arrive in a few hours. I think we'll go straight to bed as it will be past midnight when we arrive.

After Niagara Falls, we're going to visit Toronto in Canada as it is only a little further north. I've never been to Canada, so that will be exciting. From Toronto, we're going to take a flight to Los Angeles. That's where we're going to stay for the rest of the trip. I think Sam wants to go to Disneyland, so I'm sure we'll do that. And of course, we're going to surf in the Pacific Ocean!
