Scouts from all around the world, from Spain to Italy.
We're travelling together, from the mountains to the sea.
We walk for miles and learn every day.
We read a compass and find our way.

With adventure and new friends, you can't go wrong.
You can't go wrong.

1st July

Dear Mum,

How are you? It's our fourth day at camp and we're having a great time. We've got some new friends too – they're from Spain and Argentina. They're teaching me Spanish but I'm not very good at it!

Our first day was great. There was a big dinner to welcome everyone and there were songs by the campfire. Our tent was cold but it was warm in the sleeping bag.

Yesterday, we went for a walk in the forest next to the camp. The trees were very tall and there were a lot of cool animals there. Here's a photo of me with my new friends.

Love to you and Dad,

Flo

Bear Grylls

Bear Grylls is a mountaineer and adventurer. He went up Mount Everest when he was just twenty-three years old! Bear usually lives in Britain but sometimes he lives in the desert, the mountains or the jungle. He is also Chief Scout of Scouts UK. Send in your questions to Bear.

1 What do you like doing?

I like playing the guitar, running, doing yoga and playing with my children.

2 Do you like living in the jungle?

I love jungles but they're difficult to live in. There are often a lot of snakes and insects. Sometimes I sleep up a tree and when it rains, it's horrible.

3 Where is your favourite place?

An island in Indonesia. I love visiting islands but this one was really beautiful.

4 What do you do before an adventure?

I always learn a lot about where I want to go – I learn about the plants and animals. I train six days a week and I run and do yoga, too.

5 Are you scared of anything?

Yes, I'm scared of high buildings and mountains but I just stay calm. It isn't easy.

Camping in Thailand is great fun. My favourite place is a national park called **Khao Sam Roi Yot**. **Khao Sam Roi Yot** means the mountain with 300 peaks. The mountains are very difficult to climb. Death Valley National Park in California is a great place for **desert** camping. It's a large park in the USA. It's very hot there in the summer. I usually visit Death Valley in the spring with my family. I love riding my **bike** on the paths in the mountains. Mountain biking is difficult but it's very exciting. My dad likes making big campfires in the evening. He likes cooking our dinner on the fire. There are many types of snakes, lizards and birds in Death Valley. It's never boring in the desert!

SEARCH

Cool camouflage for chameleons!

Interesting fact 'Chameleon' means 'small lion' but they are cousins of the lizard.

Size They are sometimes smaller than your finger. Some are longer than your arm! Females are often smaller than the males.

Body They have got very long tongues and their feet have got claws. They are very good at climbing.

Colour Chameleons are very clever – they use colour to show how they feel or to hide. They can change colour when they are nervous, scared, hot or cold. A panther chameleon turns red when it's angry.

Places A lot of chameleons live in Madagascar and Africa. Some live in India, too. They like hot, dry places.

Food Chameleons eat insects and they are good at catching flies with their long tongues. Meller's chameleons are big chameleons and they also eat small birds. They are not happy in a cage.

Hi Jack,

I'm writing to you because I want to have an e-pal in a big city. I love sending emails to friends.

I live in a village on Sark. Sark is a very small island in Britain, near France. Only 600 people live on Sark. I'm happy here because my family and friends are here. I love school, too. We sometimes play sports but often there aren't many people to play on two teams.

The beaches here are very clean but they're very quiet. There aren't any shopping centres on the island. We go by boat for an hour to another island to go to a shopping centre! On Sark, there isn't an airport and there aren't any cars. We ride our bikes everywhere.

I want to make new friends from different places. Do you like living in Liverpool? Is it a big city?

Please email or phone me soon.

Amazing Ellen

1 Ellen MacArthur is a British sailor. She sailed around the world, solo, in 2005. The race started in November 2004 and she finished in February 2005. She was the first woman across the finish line. In the seventy-two days Ellen was at sea, she filmed her journey at sea. There were good and bad days and on her videos we can see them.

2 It was often dangerous and scary but Ellen was brave. There were storms and the waves were very big. Her food was boring and dry and she was often tired. One very bad day for Ellen was Christmas Day. There was a big storm and it was dangerous. Ellen phoned her family but she didn't want to talk. She was sad and cried. She didn't open her Christmas presents.

3 New Year's Day was good for Ellen because there weren't any storms. Ellen phoned her friends and family. She opened her Christmas presents, seven days late, and smiled and laughed. There were some funny presents. One present was chocolate and she loved it. She enjoyed that day.

Diary of a Wimpy Kid

I love this book. I read it every day last summer. It's about a boy, Greg. Greg is a normal boy in middle school and he writes in a diary (he says it's a 'journal') every day. Greg's got a best friend, Rowley, and a mean little brother. There are some funny events. My favourite part is the story at Halloween. One day, Greg and Rowley argue and they aren't friends anymore. Greg is friends with his neighbour for some time and doesn't speak to Rowley. The ending is good but I can't tell you!

The book was really funny and it made me laugh a lot. I'm keen on the cartoon pictures in the book, too. I liked it because I'm in middle school too - and my best friend's name is Greg. He's like the Wimpy Kid!

Zebra question

by Shel Silverstein

I asked the zebra
 Are you black with white stripes?
 Or white with black stripes?
 And the zebra asked me,
 Are you good with bad habits?
 Or are you bad with good habits?
 Are you noisy with quiet times?
 Or are you quiet with noisy times?
 Are you happy with some sad days?
 Or are you sad with some happy days?
 Are you neat with some sloppy ways?
 Or are you sloppy with some neat ways?
 And on and on and on and on
 And on and on he went.
 I'll never ask a zebra
 About stripes
 Again.

I live in Buenos Aires. People in my country play an instrument called the *bandoneón*. A *bandoneón* player pushes and pulls on the instrument to make beautiful music. It's got square boxes at each end. The boxes are made of wood and have got seventy-one buttons on them. Each button can play two different notes. The *bandoneón* is very difficult to play. It can take ten years to learn. We play the *bandoneón* when people dance the tango. It's great music for dancing!

I'm from Okinawa in Japan. A famous instrument in my country is the shamisen. It's like a guitar. It's got a long, thin neck but it's only got three strings. Happy Christmas! I'm Anna. I'm from Australia. It's very hot here at Christmas time. We like going to the beach on Christmas Day. I like swimming in the sea. We usually have a barbecue, too. It's great!

2
Feliz Navidad! I'm José. I live in Mexico. Look at the piñata. It's got a lot of sweets inside. At Christmas we have a piñata. My little sister likes hitting the piñata with a long stick. The sweets fall to the ground and we pick them up! It's great fun.

3
God Jul. I'm Astrid. I'm from Sweden and I love Christmas. It's very cold here at Christmas time. We decorate our tree two days before Christmas. Look at our Julbok. It's our Christmas goat. It brings presents to everyone.
