### Hotel Reviews – The Lux

I was in The Lux Hotel when we were on holiday last July. I was there with my wife and our room was fantastic. There are great views from many of the rooms and there are lots of things to do near the hotel. There is a nice restaurant in the hotel, but you can also go outside, as there are lots of restaurants near the hotel. We were there for four nights and it was wonderful. Max \* \* \* \*

What a terrible hotel. Don't stay in The Lux. I was there with my husband last year and it wasn't good. It's a big hotel ... there are 600 rooms. Our room was very small and there was no view from any of the windows. There is a restaurant in the hotel, but the food was terrible and it was very expensive. Lucia \*

This hotel is really great! There is a small park near the entrance, and on the fourth floor there is a swimming pool and a spa. There is a restaurant and the food is delicious. Outside the hotel there are a lot of places to visit. I was there with my family for two weeks. The children were really happy. Perfect! Javier \* \* \* \* \*
