READING

1 Read the report. Underline the correct word(s).

Your Free Time

How do 18- to 24-year-olds in the UK spend their free time? A new study shows that a lot of young people stay at home in their free time.

So, what do they do in their free time at home? 55% play computer games and some of them spend time online. A lot of young people also watch films, but not on TV. In fact, 47% of people in the age group never watch TV!

When young people go out they do different activities. Friends are very important to them and they meet friends for 24% of their free time. The cinema is a favourite place and 72% of 18- to 24-year-olds go to the cinema to watch films. People like different kinds of films – science fiction, comedies, horror – but 47% of them love animation films!

People also do sport or exercise. A lot of young people are healthy because they go for walks or swim, but 40% of teenagers in the UK don't know how to swim!

Young people also travel a lot and they usually buy their tickets online. 41% of all young people go to the beach on their holiday and 40% go on holiday with their family. Young people usually stay in a hotel when they are on holiday.

Example: A lot of 18- to 24-year-olds *go out* / stay at home in their free time.
