### Reading

My teacher's name is Sara. She's tall, and she's got short brown hair. She's 32 years old. She's married to another teacher, Steve, but they haven't got any children. Sara is from a small town in Scotland. She works here at the Language Centre on Mondays and Wednesdays, but she also teaches English at the university .

Sara hasn't got a car, but she's got a new bike. She doesn't live near the Language Centre, so she usually comes to work by bus. I think Sara listens to pop music at home, but we never listen to music in the classroom. Sara gives us homework every week. She's a very good teacher, and I really like her classes.
