I think I have had a very interesting life. I'm 73 now and I don't work anymore. I was in the army for 51 years. I retired when I was 69. I live in a small town in the US. I have lived here for the last 20 years. To be honest, I have lived here since 1995.

I have been to so many countries that I can't remember all of them. I have been to Australia six or seven times and to south Africa three times. I haven't traveled since I visited my children last month.

This week I have repaired my old gun. It has rained a lot this week so I couldn't go to the post office to send it to my buddy.

- a. He is 51 years old.
