Hi, Sara – I'm on vacation!

It's Monday morning right now. I usually study math on Mondays, but this morning I'm playing volleyball on the beach.

I'm not at home in Rio de Janeiro now. This week I'm staying at a hotel in Salvador with my parents and my cousin. My sister isn't here because she's living in Italy this month. She's studying Italian.

I love this hotel. There's a great restaurant in the hotel, and the chef cooks fish and chicken every evening. I go to the beach in the morning, and in

the afternoon I hang out with my cousin.

Jan is my cousin. He comes from Colombia. He's seventeen, and I'm fifteen. We often play soccer together, but we never play video games. Jan hates video games! He loves music. He's listening to his MP3 player right now.

My parents like this place, too. At home they always get up at 7:00, but this week they're relaxing. Today they're shopping. They're buying some souvenirs.

We're coming home next Friday. See you soon!
