

4 Grammar Worksheet 2

some and any

1. Circle the correct words.

1. There are some / any tomatoes in the fridge.
2. There aren't some / any beans.
3. Are there some / any children in school today?
4. There are some / any potatoes in the cupboard.
5. There are some / any bananas on the table.
6. Are there some / any apples?
7. There aren't some / any chairs in this room.
8. There are some / any computers in the library.

2. Read the conversation. Then complete the conversation with some or any.

Felipe: Mom, I'm hungry. Are there (1) any oranges?

Mom: No, there aren't (2) _____ oranges. But there are (3) _____ bananas in the bowl.

Felipe: I don't want a banana. Are there (4) _____ apples?

Mom: No, there aren't (5) _____ apples.

Felipe: What can I eat?

Mom: Look in the fridge. Are there (6) _____ eggs?

Felipe: Yes, there are (7) _____.

Mom: Give them to me. You can have an omelet.

3. Look at the picture. Complete the statements and questions, according to the picture.
