G. Read the text. Circle T (true) or F (false).

My name is Ken. Andrew is my brother. I'm sixteen years old, and Andrew is fourteen. We love sports. He plays soccer every day, and I often play basketball. He's shorter than me, but he's a good soccer player. He's better than me at soccer. We're very different. He's serious and shy, but I'm pretty talkative. He likes video games, but I don't like them.

Amy is my sister. She's twenty. She studies languages at university. She can speak French and Spanish, and this year she's studying Portuguese. She loves languages, and she wants to be a language teacher. She's smarter than me! I like math and science, but I don't like languages. We have French class twice a week, and I hate it!

1. Ken is older than Andrew. **T / F**
2. Andrew is taller than Ken. **T / F**
3. Andrew is better at soccer than Ken. **T / F**
4. Ken is more talkative than Andrew. **T / F**
