**D. Reading .**

**a. Read and put True or False. ( 3 points )**

My name is Ben and I come from Australia. I am 24 years old and I live in a small town near Sydney called Branton.

I don't have a job now, but normally I clean shop windows. I am not married but I live with my sister, Maria, in a nice house in Branton. She isn't married too.

My sister is an actress, but she isn't very famous. She acts in a small theater in our town. At the weekend, we like to go shopping in different shopping malls.

I normally get up at eight o'clock, but on Thursday I get up at six o'clock because that is the day when I go running in the park. I like living in Branton because it's not too big. There are some historical buildings in the center of the town and near Branton, there is a river where I go fishing sometimes when I want to relax.
