**4. Read and answer. (10)**

Peter was 8 years old, he went to a school near his house. He always went there and came home on foot, and he usually got back on time, but last Friday he came home from school late. His mother was in the kitchen, and she saw him and said to him, "why are you late today, peter?"

"my teacher was angry and sent me to the headmaster after our lesson," Peter answered.

"to the head master?" his mother said. "Why did she send you to him?"

"because she asked a question in the class and none of the children gave her the answer except me."

His mother was angry. But why did the teacher send you to the headmaster then? Why didn't she send all the other stupid children? She asked Peter.

Because her question was, who put glue on my chair?

**Circle T for true and F for false.**

1. Peter usually came home late. T F
2. All the children put glue on the chair.  
T F
3. Only Peter answered teacher's question.  
T F
