21. READING

Read the article. Then read the article again and complete each sentence.

What is appropriate office attire?

Companies in many parts of the world are relaxing the rules about what is appropriate to wear to work. The days of conservative suits for everyone in business are gone. Some U.S. companies have “casual Friday,” a day when less conservative attire is acceptable. Many people in the computer world wear casual clothes all the time. In warmer climates, people who work in offices frequently

wear less conservative clothing than people in colder climates. Short-sleeved shirts with no ties or jackets are traditional for men in some parts of Asia. Sandals or flats with no stockings can be appropriate for women in warmer climates. Some companies have dress codes, but even those that don’t have unwritten rules about what is and is not appropriate office attire.

Example:

In parts of Asia, short-sleeved shirts are appropriate in the workplace.

- (1) Flats or _____ are appropriate for women in warmer climates.
- (2) This article is about office _____.
- (3) People who work in colder climates frequently wear _____ clothing than people in warmer climates.
- (4) Many people who work with computers wear _____ clothes.
- (5) Some companies have rules about what to wear. These rules are called dress _____.
