THE HANOVER WEEKLY

The Face of a Changing City

Workers have officially begun to fix the old Hanover Inn at the corner of Main Street and Third Avenue. Last summer the Asteria Hotel Company bought the building. After a lot of planning, the renovations began on Monday. This will be the sixth Asteria Hotel in Canada. These hotels are famous for their salons, offering a large variety of services and personal care products.

Some people welcome the new hotel because of the business they hope it will bring. The increased numbers of hotel guests and salon customers may attract more people to smaller businesses in the area, such as family-owned restaurants on that block. And Asteria Hotels are famous around the world. The company predicts that the hotel will bring international travelers to the area as well.

Others are worried that the hotel will cause problems. They think there will be a lot of rental cars and taxis around the hotel, and people will get stuck in traffic. It's already difficult to find parking spaces in that area. More cars will make it even harder.

The Asteria Hotel Company has said that the grand opening will be on the weekend of September 5-7.

Example: Workers have started to work on the new hotel.

- (1) The Asteria Hotel Company has opened _____ hotels in Canada.
- (2) _____ will offer a lot of different services.
- (3) Some people think _____ will bring more business to the area.
- (4) _____ will probably get more business when the hotel opens.
- (5) Some people think the new hotel will cause problems with _____.
- (6) The hotel will open for business in _____.

ESSAY

34. ANS:

A trip you have taken (*Sample response:*) I have been to Asia once. I went to China last summer to visit my brother. We went sightseeing, and we took a lot of tours. I took a lot of pictures.

Ways to improve a person's appearance (*Sample response:*) If I want to improve my appearance, I'll go to a fitness center. I'll look better if I lose weight. And I should get a haircut. This is an easy way to make me look younger.

Violence in movies (*Sample response:*) I don't like violent movies, because I think they're scary. But I know that they are very popular. There shouldn't be rules about limiting violence in movies, because it is the director's way of expressing himself or herself.

Good and bad driving behaviors (*Sample response:*) Bad driving behaviors are dangerous. Some people think they are really good drivers, even if they drive badly or unsafely. These people tailgate, don't use turn signals, and honk their horn a lot. It's unsafe for them and for other drivers.
