Monday

Hi, Mei-ling!

I'm writing this e-mail from my hotel room in Boston in the United States! I can do a million things here. This morning, I'm going sightseeing. I want to see Harvard University. Then I want to go to the top of the John Hancock Tower. I can get a good view of the city from up there.

For lunch, I can go to Quincy Market. There's wonderful food there – Japanese, American, Mexican, and more. And there's a really good Italian restaurant. I want to go there for lunch. I can try the pizza! After lunch, I can look at the interesting stores there.

In the evening, I want to go to Copley Place. It's a beautiful mall. The shopping is great there, too. Some things are expensive, but some things are cheap. I can buy souvenirs there for my family – and for you, too!

See you soon!

Your friend,

Mika
